## FedEx / UPS Packaging

Additional packaging is required for all safes shipping via FedEx or UPS to protect the safe from transit damage. This excludes products already packaged for FedEx or UPS shipment.\* Maximum weight for FedEx or UPS is 150 lbs. American Security will not be held liable for damages if this packaging is not requested at the time of order.

### Order Part #4505400

Retail up charge \$60.00 per package.  
\* PS1208EZ, PS1210HD & UBS648

## Unpack/Repack Fee

Additional fee applies if we are required to unpack/repack a product for any reason. Including, but not limited to changing a lock.

If product is marked with a "☆" please add

### Part #4506017

to your P.O.

Retail up charge: \$265.00 per package.

## TERMS

Terms are Net 30 days to customers who have established and maintained a satisfactory credit rating with us. 30 days after the completion of custom products, customer agrees to take delivery and be invoiced for such products.

## PRICES

Prices are F.O.B. Fontana, California and are subject to change without notice. Orders for products not included in this price list will be treated as specials, and prices will be assigned by individual quotations issued by **American Security**.

State or local sales taxes, or other taxes that may be levied or assessed upon a sale or purchase of products listed in this price are not included in the prices shown. Any such taxes must be paid by the purchaser and if, by law, the vendor is chargeable with the collection or payment thereof, the sum must be added as a tax to the price listed herein.

SALES NOTICE: Any sales of products are subject to sales tax of the state they're sold in, unless purchaser has on file with American Security, a resale certificate issued from the state products are being shipped into.

## HOW TO ORDER

All orders for standard products must specify the model number and description. Orders for specials must include complete descriptions and or drawings, color and delivery information. Routing information should be supplied in writing as well as the selection of the freight carrier. Otherwise the merchandise will be shipped "best way". Confirmation purchase orders mailed must be marked "Confirmation-Do Not Duplicate." Orders may not be cancelled except by written consent from **American Security**, Fontana, California. Cancelled orders for catalog items may be subject to a restocking charge of 20%. Cancelled orders for specials are subject to charges based on the degree of completion and market value of the unit(s). Special orders (custom units) must ship within 30 days of original ship date.

## DESTINATION INSPECTION

All **American Security** products are inspected at the factory prior to shipment. **American Security's liability for damaged merchandise ceases when the shipment is accepted by a common carrier. All merchandise should be carefully inspected by the consignee and if damage or shortage is evident, the consignee should refuse acceptance until an agent of the carrier indicates on the delivery receipt the nature and extent of the damages or shortages.** All claims for damages or shortages should be made directly to the carrier. In cases of hidden damage (damage not evident on the carton or crate) unpacking should be stopped and the carrier notified to send an inspector. Save the original carton or crate for the inspector to examine.

## RETURN SHIPMENT

Return Shipments will not be accepted unless authorized in advance and an RGA# assigned by **American Security**, and are subject to cancellation, transportation, handling and restocking charges.

## PRODUCT SUPPORT POLICY

Service performed under American Security's Limited Warranty will be considered for approval only if the following procedures and policies are followed:

1. A Warranty Authorization Number must be obtained from **American Security BEFORE ANY SERVICE WORK IS PERFORMED**. Authorization can be obtained by calling the **American Security** Service Department at 951-685-9680 between the hours of 7:30 a.m. and 4:30 p.m. Pacific Time, Monday through Friday. The serial number, description of the product and nature of the problem must be supplied to **American Security** to determine warranty status before an authorization number will be assigned. Issuance of the authorization number recognizes only the existence of a problem and does not constitute an admission of liability by **American Security**. Only approved service representatives will be authorized to perform warranty service.
2. **American Security** will send a Warranty Service Report form (WSR) either by mail or with any required parts. This form must be filled out and returned with your invoice and defective parts before service charges can be considered for payment.
3. American Security's warranty covers defects in workmanship and parts for one year. Defective parts must be returned (not repaired unless instructed) to **American Security**. If parts are not returned, the warranty invoice will be denied. Do not invoice for parts. Defective parts will be replaced by **American Security**. State sales tax does not apply to warranty service work and will not be honored.
4. **American Security** offers technical support via telephone free of charge for a period of one year after the purchase of a product. Technical support can be obtained by calling 951-685-9680 between the hours of 7:30 am and 4:30 pm Pacific Time, Monday through Friday.

After one year, phone support is offered on a charge-per-call basis. Service and support contracts are available on select products.

5. Any service performed prior to issuance of a warranty authorization number will be subject to denial. **PRICES SUBJECT TO CHANGE WITHOUT NOTICE. NOT RESPONSIBLE FOR TYPOGRAPHICAL ERRORS.**
6. For complete details concerning **American Security's** product warranty please visit the product support section of our website at [americansecuritysafes.com](http://americansecuritysafes.com)

## U.L. Listed Burglary and Fire Safes

The industry's first U.L. listed, fire rated burglary safe offers an affordable solution when burglary and fire protection are an essential part of your buying decision! During Underwriter's Laboratories grueling testing procedures, the BF® series earned the U.L. listed Class 350° F, One Hour Fire Label and the (RSC) Residential Security Container Burglary Label.

## Next Generation - SafeWizard II Access Control System

The SafeWizard II is the new standard in safe lock security. With improved software and remote management capabilities, the SafeWizard II offers businesses a unique tool to control and audit safes. The SafeWizard II offers a complete suite of asset protection features that will reduce risk and improve operational efficiencies.

### Improved Features:

- Customizable system alerts.
- Group administration functions.
- Up to 500 users.
- 120,000 lines of audit stored.
- Controls up to 12 doors and 1 deposit lock.
- English standard, Spanish, French and German coming soon.
